Dear City Council Members:

I would like to voice my support for the above items, and urge you to vote favorably on all of the items.

In the 12+ years that I have lived on Clarkway Drive, I have found Mr. Ahern to be an *outstanding* neighbor, listening to our concerns and immediately resolving any problems that are brought to his attention. Mr. Ahern has, in my opinion, gone 'above and beyond' in providing the residents of the neighborhood with the opportunity to have input into this project. The business he is proposing on this site will be an economic boon to the community, and will be a great convenience for the homeowners in the area.

Thank you for your consideration.

Sincerely,

Robin M. Heck
